Repository Citation

This Book is brought to you for free and open access by the Art at Digital Commons @Brockport. It has been accepted for inclusion in Advanced Problems in Graphic Design Posters by an authorized administrator of Digital Commons @Brockport. For more information, please contact kmyers@brockport.edu.
Development of a growing campus

Brockport has achieved all new levels of excellence and recognition, from acquiring the latest information technologies to improving campus communications to increasing admissions standards. Brockport is recognized throughout New York and the SUNY system as an innovative and dynamic institution. By 1981, there were 1,185 graduate students enrolled in 11 different programs. Today, we have more than 1,400 graduate students in 29 programs.
