**Don't forget to visit the Library!**

We're not the only librarian available to help! If you are anywhere near the Downtown or Schaumburg campuses, stop by the library. Both are staffed with many trained, friendly librarians who can help with all kinds of research questions. Sometimes, it's good to work with someone in person! Also, you can call the downtown or Schaumburg reference desk to get help if you can't make it in. The number downtown is 312-341-3644 (downtown hours). The number in Schaumburg is 847-619-7980 (Schaumburg hours).

**Need a book but can't get to campus?**

The library is piloting a brand new program to mail books to distance students (those ONLY taking online courses this term). You can request up to 3 books per week. They will be mailed to you via UPS, and return postage is prepaid. Find out more [here](http://ruiacrl.pbwiki.com), or go directly to the request form.

We will be using a blog to help update you about new research suggestions or to address questions that may be relevant to your whole class. New posts will appear here. Just click on the titles to read the full entry.

**TLED 480 Library Resource Blog Fall 2007**

- **Where do I start?**
  - 10/3/2007
    - Hi TLED students, So you need to find some articles for a literature review? Well, let me help you get started. One of the best databases for scholarly articles on education is ERIC. At Roosevelt, we have a database provided by EBSCO that gives us access to ERIC. The...
    - Welcome to the library resource blog!
