Going Green with Reserved Parking Spaces
The College at Brockport is committed to sustainability, making it a fundamental part of the culture. From classrooms to common rooms, lecture halls, and residence halls, hard work has been done to ensure that the campus is a leader of practicing good stewardship. In support of these goals, the offices of Facilities and Planning and Parking and Transportation Services have introduced a reserved parking space initiative to encourage the use of more fuel-efficient vehicles on campus, to support more environmentally sound practices.

For our reserved parking spaces on campus, vehicles must have achieved a minimum green score of 40 or higher according to the American Council for an Energy Efficient Economy (ACEEE). A rating guide can be found on the link below which lists what vehicles meet the established criteria.

These reserved parking spaces can be found in lots Q, P, W, S, and T. As always, a permit is needed to park on campus, but a separate permit is not required to park in these reserved spaces. It is the responsibility of the driver to verify that the vehicle meets the established criteria as a low emitting, fuel-efficient vehicle. Those who do not meet the criteria and park in these spaces may be ticketed.

Feel free to contact Parking and Transportation Services at 395-PARK (7275) with any questions.

**Brockport Symphony Orchestra** Fall 2017 Rehearsals Begin on Thursday, August 31
Rehearsals for the orchestra's eighth exciting season will begin on Thursday, August 31, at 7:30 pm in the Music Room at Cornerstone Academy.

Brockport Symphony Orchestra Flyer
Note: Celebrating its eighth innovative season, the Brockport Symphony Orchestra is not affiliated with the Department of Theatre and Music Studies. This project is made possible with funds from the Decentralization Program, a regrant program of the New York State Council on the Arts with the support of Governor Andrew Cuomo and the New York State Legislature and administered by the Genesee Valley Council on the Arts at the Livingston Arts Center, a member-supported organization.

The award-winning Brockport Symphony Orchestra, founded and directed by Jonathan Allentoff '14 and professor emeritus Dr. William Hullfish, will begin fall rehearsals on Thursday, August 31, at 7:30 pm in the Music Room at Cornerstone Academy, 60 Holley Street at Utica (adjacent to campus and on the campus shuttle). We have select openings for fall 2017, and we'd love to welcome you into our musical family! To join, please send your name and instrument to: brockportco@yahoo.com

The Brockport Symphony Orchestra will be kicking off its eighth season with the Erie Canal Bicentennial Concert Tour to the Rochester Museum & Science Center and the Empire State Plaza in Albany. The orchestra will be performing at the Rochester Museum & Science Center's Eisenhart Auditorium on Thursday, September 28 at 7:30 pm, and the New York State Museum's Clark Auditorium in Albany on Saturday, October 7 at 3 pm. For these command performances, the orchestra will be joined by special guests Dr. Bill Andrews, deputy mayor of Brockport, nationally-acclaimed vocalist Mary Wojciechowski, and the Smithsonian Gold Medal Artists of the Golden Eagle String Band. Transportation costs to Albany are covered for every member of the orchestra thanks to a special grant from New York State, and we'll be traveling together on a deluxe motor coach from Covered Wagon Tours.

In addition to the concert tour, the upcoming season will showcase our many Brockport students, plus alumni, faculty, and community members in an exciting series of collaborative
performances with the Amadeus Chorale, Spencerport Community Chorus, composer-in-
residence Emmanuel Sikora, and internationally acclaimed soloists, held at the historic St. Luke's
Episcopal Church in Brockport, Temple Beth El Auditorium in Rochester, Twelve Corners
Presbyterian Church in Brighton, and The Mall at Greece Ridge.
