The Honors College is on the move!

Save the Date: On Friday, April 27, the Honors College will celebrate its move to the Albert W. Brown building this coming summer. The campus community is invited to an informal reception from 3:30-5:30 pm in 218/219 Holmes Hall.

After over 20 years on the second floor of Holmes Hall, the Honors College will be moving to a larger, more visible, and beautifully renovated space on the ground floor of the Albert W. Brown Building, adjacent to the new Academic Success Center.

To recognize this milestone, we invite the campus community to attend our “Honors on the Move” celebration on Friday, April 27 from 3:30-5:30 pm in 218/219 Holmes Hall. The celebration will include exhibits about the program’s history (created by the Honors Club in collaboration with Charlie Cowling), undergraduate thesis research, and alumni accomplishments. Light refreshments will be served.

Brockport Supporting Binghamton University

The Center for Select Respect invites you to add a hand print to a banner of support for Binghamton University, after one of their students lost her life as a result of a power-based interpersonal violence on their campus

Stop by the Center for Select Respect, in the Student Union, B124, today between the hours of 8 am - 5 pm.

Add your hand print or fingerprint to a banner of support for the Binghamton University community during this difficult time.

See attached flyer for more information, and please feel free to share this flyer with other members of the campus community. If anyone has any questions, please contact Colleen Holcomb (cholcomb@brockport.edu).

Where in the World Are Brockport Students? Meet Allie Williams

Did you know Brockport students are studying abroad in all corners of the world right now? See what exciting things one of these students has to say about their Education Abroad experience!
Allie Williams

Allie Williams is a student in the Department of Accounting, Economics & Finance and studying at the John Cabot University this semester, an American university in Rome, Italy.

Allie says, “Being abroad has been an eye-opening experience for me. Not only have I experienced a completely new culture, but I have also experienced a new lifestyle. Leaving the comfort of my home town has forced me to push myself out of my comfort zone and try new things. This experience has helped me become a well-rounded individual, as well as an independent one, for which I am grateful.”

Thanks for sharing your experience, Allie!

89.1 The Point Wins Twice in New York State Broadcasters Association Awards

89.1 The Point is an award-winning station, with 24 state and national awards within the past 29 years.

WBSU 89.1 The Point won two awards in the 52nd annual New York State Broadcasters Association competition. The two award categories are Outstanding Promotion Announcement and Outstanding Sports Coverage.

The Point’s Operations Manager Brianna Milon and Programming Director Kayli Zeluff won the promotion category with their submission of 35 Live Promo. The football broadcast team of Nick Kobel and Derick Abbey with producer Michael Buchman won the sports category with their submission of SUNY Brockport at Mary Hardin Baylor.

The awards will be accepted at the Excellence In Broadcasting: 2018 Regional Awards Luncheon on May 1 at The Country Club of Rochester. The Point has now been recognized at the national and state level 24 times in the past 29 years.

The New York State Broadcasters Association represents over 300 television and radio stations throughout New York State.

Dr. John Marah, AAS Interim Chair, Receives Book Award

Developed in 2012, the NYASA Publication/Book and Educational Activities Awards are organizational-level honors conferred to active members of NYASA to acknowledge and provide association-wide recognition for consistently superior achievement in publication, research, scholarship, educational activities, and to encourage the ongoing pursuit of excellence. The publication/book awards accentuate NYASA’s mission, vision, and commitment to sustaining intellectual vibrancy, cultural competence, and advancing the frontiers of knowledge on Africa, the African Diaspora, and the global human condition. Through these awards, NYASA publicly proclaims its pride in the achievement and personal dedication of its members.

Dr. Marah will receive this award on April 14 at the NYASA Annual Conference at Seton Hall University.

Brockport Physics Hosts Rochester Symposium for Physics Students

The Rochester Symposium for Physics Students (RSPS) comes to Brockport for the first time!

On Saturday, April 7, the Department of Physics welcomed 75 physics students and faculty from colleges and universities around New York for the 37th annual Rochester Symposium for Physics Students (RSPS). Brockport senior Mayuka Sasaki gave a 15-minute talk to present results from her Physics Project Seminar Research.

The Physics Project Seminar is the capstone course in the Department of Physics. Over the course of the academic year, senior physics majors investigate a research topic under the guidance of a physics faculty member. Mayuka studied the growth of graphene on silicon carbide in Dr. Robinson’s surface science group. Throughout the project, students present results in a departmental talk, a Scholars Day poster, an external conference talk (RSPS), and a final public talk to which the entire campus is invited.

RSPS is organized by the University of Rochester and is usually held there, but every third year the symposium is hosted by one of the participating schools. This year’s symposium at Brockport drew 75 people from institutions throughout New York State and featured 36 student talks and 10 posters.

This year’s meeting was co-sponsored by the National Office of the Society of Physics Students, the Department of Physics and Astronomy at the University of Rochester, the Department of Physics at The College at Brockport, the Department of Energy, and the National Science Foundation (REU Program).

EOP Celebrating 50 years of Academic Excellence

The Brockport EOP staff will attend the statewide 50th anniversary celebration of the Arthur O. Eve Opportunity for Higher Education Program on April 14, 2018 at Buffalo State.

The EOP program, founded in 1967 by Arthur O. Eve, has changed the lives of countless students. The celebration will include a series of workshops as well as a dinner and award ceremony. The program will honor the founder Arthur O. Eve as well as others who have made significant contributions to the success of the program. Gary Owens, director of the Brockport EOP program, will receive The EOP Golden Alumni Honoree award. Other awards include the Distinguished Alumni Award, presented to Bolgan Vargas, Jacqueline Moore, and Antoine Thompson.

The Class of 1918
The Class of 1918

A look back at a class of a century ago.

Some of the Class of 1918

As we come up on the graduation of the Class of 2018 it seemed interesting to pay a visit to their predecessors of a century ago in the Class of 1918. It was a vastly different world in many ways of course, and that was true for education as in many other fields. In 1918 Brockport was one of the several New York Normal schools.

Normal schools were essentially single purpose schools, focused on teacher training. They were not colleges; one did not receive the bachelor degree. Instead, after completing the course of study, two years at this time, the graduate was given a license to teach in the state schools. In the early 20th century a high school education was still not all that common, let alone attending college, and so going to one of the Normal schools was a perfectly respectable educational attainment.
The Class of 1918 was far smaller than modern classes. There were 63 students in the main class, and nine in the special, shorter "rural school" course. Many of the students did of course go on to teach in area schools, perhaps as a life time career, but there was no formal commitment to teach. Some students graduated and then went on to other occupations, and some would transfer their credits to a college and go for another year or two to get a bachelor degree.

Many of the students were from Brockport and neighboring towns, but we also had students from farther afield, for example Tonawanda, Penn Yann, Utica, and Walworth. Gauging by the names and class photos most of the students were women.

That being the year the U.S. entered WWI, there was a mention in the Stylus commencement issue of how "...every loyal American began to devise some means by which he might 'do his bit' to help in stamping out the Prussian menace." War related activities included starting a Red Cross chapter and forming a cadet corps.

It wasn't all school work and war relief activities however. Sports were popular, especially basketball, which was the big sport on campus in that era and long after. The Stylus polled the student body, and made the discovery that the favorite chewing gum was Beaman's, with 27 votes, followed rather distantly by Wriggley's, with only seven votes! The favorite movie star was Mary Pickford, followed by a tie between Margaret Clark and Theda Bara. As for politics, 30 students said they were Republican, five Democrats, and five Prohibitionists, with a lone Socialist and seven Independents.

The head of the school was Alfred Thompson, whom Thompson Hall is named after, and he lived in what is today the Alumni House. Teachers included Aletta Edwards, an English instructor, whom Edwards Hall is named for, and Charles Cooper, head of the campus school, whom Cooper Hall is named for.

Shown here is one of the three group photos of the class that ran in the June Stylus that year, this one including what apparently was the class dog!

**TONIGHT: Tim Collins Presents THE SCRIPT – Sexual Assault Awareness Month Speaker**

*Join us tonight, Wednesday, April 18 at 7 pm in the Seymour Union Ballroom to engage with Tim Collins’ presentation THE SCRIPT, and have a conversation about preventing Sexual Assault, Rape Culture, & Toxic Masculinity.*
The Script is a one-man show that depicts Jay, Nick, Jeremy, and Chris, four young men at the ‘edge of an incident’—a female classmate has been sexually assaulted. In the course of this engaging and powerful drama, the four characters grapple with their beliefs about masculinity, gender roles, and relationships, and make choices that forever change their lives and friendships. Developed in conjunction with sexual assault prevention agencies, THE SCRIPT examines ‘rape culture’ and invites the audience to examine the language, media, and attitudes that create an environment where violence against women and men is acceptable and normal.”

Fifty-two educators from across the country were recognized as Honored Teachers at the Rochester Institute of Technology (RIT) Outstanding Undergraduate Scholars Awards Ceremony in March. Each year, students receiving the Outstanding Undergraduate Scholar Award are given the opportunity to nominate a teacher that “had a profound impact on their academic career and
have been an inspiration in their life.” Andie was nominated by former College at Brockport student, Sarah Dobie, who had this to say in her nomination letter: “Andie taught me the foundational skills for conducting research. Without her guidance and willingness to put so much time into my education outside of the classroom, I surely would not be where I am today. Andie knows how to empower students and takes a special interest in the success of her students.”

Sankofa African Dance and Drum Ensemble Welcomes New Artistic Director, Jenise Anthony
Join us at the Honors and Awards Ceremony on April 20

*Please join us Friday, April 20, at 3:30 pm in the Seymour College Union Ballroom, as the College at Brockport community comes together to celebrate student success at the College’s annual Honors and Awards Ceremony.*

This long-standing tradition recognizes academic excellence, honoring students for outstanding achievement. Since 1982, the Honors and Awards Ceremony has recognized thousands of extraordinary students in all academic areas of the College. This year we will individually honor the President’s Citation Award, each school’s outstanding scholars (both undergraduate and graduate), the Chancellor’s Award for Student Excellence, Delta College Commendation Award, Delta College Program Scholar Award, Executive Director’s Award, Honors College Outstanding Senior Award, Honors College Scholar Award, Outstanding Adult Student Awards, Outstanding CSTEP Scholar Award, Outstanding McNair Scholar Award, and the top scholar in each department. The response from the College at Brockport faculty address will be given by Dr. Skye Paine, Associate Professor of Modern Languages and Cultures, School of Arts and Sciences.

**Sankofa African Dance and Drum Ensemble Welcomes New Artistic Director, Jenise Anthony**

*Jean-Claude Lessou and Cassandra Hines are guest artists for April concerts*

The College at Brockport’s Department of Dance will present the Sankofa African Dance and Drum Ensemble in performances that take place Thursday – Saturday, April 26 – 28, 2018, at 7:30 pm and Sunday, April 29, at 2 pm, in the Hartwell Dance Theater in Hartwell Hall. Tickets are $17/General, $12/Senior Citizens, Brockport Alumni, Faculty and Staff, and $9/Students.

This year, the Sankofa concerts will honor the legacy of the late Baba Chuck Davis in a program entitled “Ni iranti ologbe baba wa Chuck Davis” (In memory of our father, Chuck Davis). Davis, who died last May, was acknowledged by no less than The New York Times as “America’s foremost master of African dance.” He founded the DanceAfrica Festival that has been in existence for more than 40 years, and also founded the African American Dance Ensemble, based in Durham, NC.
The commemoration was the brainchild of Jenise Akilah Anthony, who joined the department as an assistant professor and artistic director of Sankofa this year. She explained that “the word ‘Sankofa,’ loosely translated, means that you cannot go forward without looking back. None of us would be able to go forward in the world of African dance, had it not been for Chuck Davis’ contributions.” Echoing Anthony’s sentiments is Sankofa’s musical director and master drummer, Khalid Abdul N’Faly Saleem.

There will be two guest artists creating works for this year’s performances. Jean-Claude Lessou, a native of the Ivory Coast, West Africa, who has been teaching African dance in Austin, TX. Lessou has visited the campus several times in order to give workshops and teach classes, as well as to audition students on whom he could set a piece for these extremely popular concerts. His work, “Ivory Coast,” is a dance suite comprised of six sections that vary between harvest dances, contemporary African dances and dances that “offer respect to royalty or persons of importance...people like Baba Chuck Davis,” according to Anthony.

Cassandra Hines’ “Guinea Dance Suite” has three distinct sections which will be accompanied by live music:

Tiriba: a celebratory rhythm played after the initiation of girls into the Landuma ethnic group;

Mendiani: a dance recreating a female rite of passage from the Malinke ethnic group;

Balanta: a dance of resistance from the Balanta people in Guinea-Bissau, Senegal and Gambia.

Hines is the founder and artistic director of the West African-based Bahdae Dance Company in Dallas.

The finale for the concert, “Sinte,” is most fitting, as it was the way that Chuck Davis would close out many of the DanceAfrica/Dallas presentations. In Brockport, Anthony will be debuting a piece with new choreography that is her tribute to Davis.

The Office of Diversity proudly present our third Community Conversation of the Spring semester entitled “Interfaith Relations: Communication, Compassion, and Respect”. It will be held Tuesday, April 24 from 4-5:30 pm at Eagles Lookout. This Community Conversation will be on the topic of interfaith and our guest speakers will be Robbie Routenberg, SUNY Geneseo Interim Chief Diversity Officer, and Dr. Carl Davila, Associate History Professor at The College at Brockport.

We will focus on the meaning of interfaith, what an interfaith environment can provide and it’s contributions to the Brockport community. By bringing people of different faiths and non-faiths together, we can create a more inclusive and diverse fellowship here at Brockport. Our goal is to educate others on the topic of interfaith and introduce the concept to the students, faculty and staff. Overall, by working together and having authentic dialogue, we can all be a part in Building a Better Brockport Together.

Cultivating Personal Resilience: A Path to Greater Well-Being

The program is open to all employees and will help participants learn skills to rebound quickly from stress to encourage greater well-being both in their personal lives and work. See below for more information.

This three-hour workshop draws on the scientific research on well-being and resilience to help participants develop a personalized plan. Learning to rebound quickly from stress is key for our well-being both in our personal lives and at work. Come learn simple, empirically-based strategies that improve our ability to cope well with the stress of our ultra-busy lives and that increase our happiness and success. Use these tools to build your own personal resilience toolbox!

Date: Tuesday, May 15, 2018
Time: 8:30–11:30 am
Location: Eagle’s Lookout

Registration begins at 8 am, and a continental breakfast will be served from 8 to 8:30 am.

Please register (click on the link below) in advance, as the program is limited to 40 participants. The registration deadline is Friday, May 11.

The program will be facilitated by Dr. Christine Allen from Insight Business Works, Inc.

Dr. Allen has been providing executive coaching, team building, talent selection and assessment, and other training since 2009. With 20 years of previous experience as a clinical psychologist, Dr. Allen helps leaders and teams identify needs and discover and use their strengths. She excels at improving communication within teams, and she specializes in helping employees develop resilience and effectiveness.

Lisa Zarnello, RN to BSN Graduate, Publishes Article

Ms. Zarnello developed her interest in the long term health consequences associated with exposure to adverse childhood experiences while taking Community Based Epidemiology within the RN-BSN program. She wrote the article while taking the class and continued the necessary steps in the publication process while completing the program. She currently works as a nurse in the emergency department at Highland Hospital and recently traveled to Ghana with a global health NGO providing nursing care in a mobile clinic. She shares her experiences at Brockport in an alumni profile, linked below. She is currently enrolled in the FNP program at SJFC and will graduate this summer.

The Department of Nursing is very proud of Ms. Zarnello and looks forward to her continued success in the profession!
