Our Voices

Anna Walser with Courtney Gazda, Christopher McNeil, Taryn Mogavero, Sarah Mae Richens, Nicole Posluszny, Emily Tanner

We invite you to join us, many voices as one, to challenge those systems that oppress us all. In this work we aim to discuss the place that we hold within our community, focusing on identity, choice, ownership, and the mass media. Let us dissent against the social limitations and expectations and raise awareness of the intersectional ties that connect all people. Through our own feminist research, we use Dissenting Voices to highlight the social issues of today.
