Senior Class of SUNY Brockport

Repository Citation
The building is a monument to the advancement and progress of teacher-training in N.Y. state. Of Georgian Colonial architecture, it stands on the site of the old school, facing East and parallel with the Main St. of Brockport. The total cost of construction was $1,100,000. Part of the expense was met by a Federal grant of $495,000 and the state Legislature made an appropriation to care for the remaining sum.

“What is Time? If no one asks me, I know what it is. If I wish to explain it to him who asks me, I do not know.”

St. Augustine
"Time is too slow for those who wait;  
Too swift for those who fear;  
Too long for those who grieve;  
Too short for those who rejoice;  
But for those who love, time is not."

LIFE IN THE 70'S,  
80'S AND 90'S
Let's dance in style, let's dance for a while?
Heaven can wait, we're only watching the skies.
Hoping for the best but expecting the worst,
Are you gonna drop the bomb or not?
Let us die young or let us live forever,
We don't have the power but we never say never,
Sitting in a sand pit life is a short trip,
Music for the sad man.
Can you imagine when this race is won,
Turn your face into the sun,
Raising our leaders, we're getting in tune,
Music's played by the mad man.
Forever young, I want to be, forever young,
Do you really want to live forever?

ALAPHILLE

Cowards die many times before their deaths;
The valiant never taste of death but once.

William Shakespeare

The characteristic of heroism is it's persistance. All men have wandering impulses, fits and starts of generosity. But when you have chosen your part, abide by it, and do not weakly try to reconcile yourself with the world. The heroic cannot be common, nor the common the heroic.

Ralph Waldo Emerson

ALMA MATER

Alma mater thy children raise
To thy Shrine deserved praise;
Hope and courage thou dost impart
To each loyal student heart.

Friendly flowers and stately trees
Lend new perfume to the breeze:
Dear Old Campus, lofty halls,
Alma mater, we love thy walls.

When the fleeting years divide
us from thee, our gentle guide.
Still our thoughts with thee shall rest,
Alma mater, dearest best.

A Walk Along A Snowy Trail

I walk along this snowy trail,
In a careless sort of flight;
I notice not what lays beneath,
This balmy blanket of white.

My steps erased as I proceed,
Along my dreamy way;
Such beauty I have never seen,
In any summer's day.

No life exists, it's only me,
I thought . . . then began to smile;
If this is how my life could be,
I'd walk this trail for miles.

I closed my eyes . . . and then awoke,
I stared down at my hands;
Frozebit while I lie in bed,
Dreaming of my wonderland.

To accomplish great things we must not only act but also dream, not only plan but also believe."
Brockport has offered us many opportunities ...

Some have been educational ...

Some have been just for fun
As we go through life we learn there are certain things we must remember and certain things, we must forget, But - the important thing is this to be able, at any moment to sacrifice what we are for what we can Become.

The experiences and memories,

Grow.
Blue

The color that never makes a sound,
the color of the cradle of life from which
spawned us all,
blue, the color of the infinite deepness of
the sea,
blue, the liquid which sustains our life,
the color of sky and space which looms
above us all,
the color of serenity which gives us
piece of mind,
the bluebird which pleases our ears,
and the color of the eyes that bedazzle
the beholder,
blue,
desolation which haunts us all,
and the color of a mystery we all love
to solve.

Your big sis
Being the editor of SAGA '92 this past year has proven to be quite a challenge. It has taught me the true meaning of dedication. I hope in following years, more people will be involved with the yearbook because it represents one of the best times of our lives.

I would like to thank my small staff, especially Gwen and Chris, for all the hard work they put into the yearbook and to Sharon Belle-Render for her advise. Special thanks goes to Bobby and Bea for always listening to me when I had any problems. I would also like to thank Jim Dusen for the excellent team pictures he gave to the yearbook.

I would like to dedicate this yearbook to my parents. They have been my backbone all my life and have made feel like I could do anything, if I wanted it bad enough! I love you both dearly.

Congratulations to the Class of 1992 and best of luck with your future endeavors.

Moving ahead doesn't mean forgetting where you've been.

It means acknowledging that where you've been is not the only place where you can go.
