RECOMMENDATIONS ON CENTER FOR INNOVATION

1. That the student body of the Center for Innovation shall continue to be racially integrated.
2. That every participating school district make an equitable contribution.
3. That sending school districts be responsible for the provision of transportation.
4. That the racial makeup of the staff of the Center for Innovation reflect the racial makeup of the student body.
5. That every effort be made to staff vacancies in the Center for Innovation with persons from minority groups to move toward the goal stated above. High priority should be given to finding qualified minority group applicants for the principalship.
6. That procedures be established in the Center for Innovation for meaningful participation, that is to say full and open discussion, by staff members and parents in the decision making process.
7. That no grade shall be phased out in the Center for Innovation without participation by staff and parents leading to such a decision.
8. That full financial support will be provided to assure an educationally sound program to meet the intent of the foregoing statements.
