NOTES:
Whereas faculty can undertake and have undertaken innovative pilot projects within the existing General Education Program—such as cross-listing I courses between ENG/ENV and THE/PLS and creating Global Perspectives knowledge area general education course pairings with coordinated curricula,

Whereas the SUNY rules allow for one course to carry two knowledge area codes, such as F+S or S+N (with the exception of H, which can only be paired with O, D, or W),

Be it resolved:
  That any faculty initiating innovative general education pilot projects will:
    Consult with the chair and members of the Senate General Education Curriculum and Policies Committee to ensure that the pilot project fits with the existing parameters of the General Education Program as approved by the Senate.
