Minutes of the Special Faculty Senate Meeting
Friday, March 17, 1978, 1:30 p.m.
106 Edwards Hall

There were 47 senators present, including alternates. The senators absent were: Asmuth, Blinn, Brauser, Goldberg, Green, Henderson, Humm, Jasinski, Maine, Malik.

Senator Gilbert moved adoption of the amended 1978-79 Academic Calendar.
Senator Kevin seconded.

Senator Burelbach moved to split the motion into three parts: (1) to rescind calendar (2) Fall Semester, (3) Spring Semester. Dr. Puthoff seconded. Discussion indicated that it would be easier to work with the calendar as a package rather than split into pieces. The motion was defeated.

A motion was made to change October 25 as midsemester in the Fall 1978 Calendar to October 26 to give equal number of Tuesday and Thursday classes in first and second quarters. Accepted as a friendly amendment.

Senator Martin moved, seconded by Dr. Puthoff, to increase the number of final registration days from one to two in the Spring Semester, 1978-79. Leffler spoke to it. The motion was accepted as a friendly amendment.

The Physical Education Department noted the following:

- (1) large number of 8 o'clock classes.
- (2) conflict of skills courses with athletic programs at 3:30 in the afternoon.
- (3) difficulty of transfer students to enroll in courses which will be crowded by decreasing number of sections.

Dr. Southwick moved, seconded by Senator Ferguson, that the adoption of the calendar be delayed until Spring 1979. Adoption for Fall would give three weeks interruption in a multiple section course if the course meets MW. The amendment was defeated.

The Anthropology Department offered an amendment, seconded by Senator Ferguson, to change the Spring Recess (March 10-19) to begin April 9, classes to resume April 16. This would include both Passover and Easter. The amendment was defeated.

Senator Butler called the question. Passed.

Main motion passed.

Motion to adjourn, seconded, passed.
