Resolution #13, 1978-79
Faculty Senate meeting 12/11/78

Student Involvement in Academic Governance

Whereas, the Faculty Senate Student Policies Committee has been asked by President Brown to determine if a new policy on student involvement in academic governance need be written, and

Whereas, the Committee desires the feeling of the Faculty Senate on this matter, and

Whereas, if yes, in order to undertake this task, the Student Policies Committee must seek information about current policy on student involvement in academic unit governance at present by means of the attached questionnaire to be filled out voluntarily by Faculty Senators,

Therefore, the Student Policies Committee moves the need for a new policy on student involvement in academic governance to the floor for discussion and direction.
