Agenda Item V. A.
Faculty Senate Meeting: 3/23/81

Policy for Second Baccalaureate Degrees

Brockport graduates and graduates of other accredited institutions may be eligible to earn a second baccalaureate degree if it is in an essentially different area of study. At the present time 5 undergraduate degree programs are available at Brockport: B.A. (Bachelor of Arts), B.S. (Bachelor of Science), B.A.L.S. (Bachelor of Arts in Liberal Studies),* B.S.N. (Bachelor of Science in Nursing), and B.P.S. (Bachelor of Professional Studies).

1. For purposes of the second degree the B.A., B.S. and B.A.L.S. will be considered as a single degree area. The two other degree areas are B.S.N. and B.P.S.
2. Students wishing for concentrations in two liberal arts areas are encouraged to complete a second major within a single degree program or a Certificate of Completion of a Second Major if the B.A./B.S./B.A.L.S. degree has been awarded.
3. Students with a B.A., B.S. or B.A.L.S. opting for a second degree must complete a minimum of 30 hours in addition to the hours required for the first degree and must fulfill all prerequisite, co-requisite and major requirements for the second degree program. Courses used for the General Education, Liberal Arts, and Upper Division requirements may be applied to both degree programs.
4. A student with a B.S.N. or B.P.S. from Brockport or a student holding a professional degree from any accredited institution will be required to complete a minimum of 30 hours in addition to the hours required for the first degree and to complete General Education, Liberal Arts, and Upper Division requirements in effect at date of matriculation in second degree program. Transfer credit may be used to fulfill these requirements.
5. Second degree programs may be undertaken either concurrently or consecutively.

*B.S.L.S. - major option within B.S.

NOTE: According to state guidelines, students who elect to complete the second degree after such time as the first degree has been awarded will be admitted as non-matriculated graduate students and ordinarily will not be eligible for financial aid.
