FACULTY SENATE COMMITTEE ON COLLEGE ADMISSIONS  
RESOLUTION ON TRANSFER ADMISSIONS

Be It Resolved That:

The following be established as the admissions policy governing prospective transfer students applying for admission for the Fall, 1983, semester, and thereafter until further notice.

1. An offer of admission can be made only to those transfer applicants who have earned a cumulative index of 2.0 or better from an accredited college.
2. The Admissions Office be authorized to advise transfer applicants of their transfer credits based on information provided by the Director of General Education and the appropriate academic departments/schools/programs.
3. A preliminary transcript evaluation be made available to each transfer applicant before the applicant's advance deposit becomes non-refundable, provided that the applicant has submitted a completed application at least thirty days prior to final registration.
4. Accepted transfer students who have declared a major be assigned an advisor by the appropriate academic department, and notified of that assignment by the department prior to the student's initial semester at Brockport.
5. Institutional support be continued and strengthened for curricular articulation with high schools and with two and four-year colleges in New York State.
