Agenda Item VI. A. 1.

Recommendations Regarding Ad Hoc Committee Report

Be It Resolved that the Faculty Senate endorses the recommendations of the Subcommittee on Resource Allocation based on the Ad Hoc Committee Report as follows:

Recommendation 1:

A clear definition of "program" must be provided to the Faculty prior to resource allocation and reduction.

Recommendation 2:

The criterion of Demand should carry no greater priority than the criterion of Quality.

Recommendation 3:

The criterion of Quality must be expanded to include factors attentive to contributions made by programs to the quality of student life and to the attractiveness of campus life, such as programs which provide significant extracurricular opportunities for student fulfillment - art, music, dance, theatre, sports, etc.

Recommendation 4:

The criterion of Quality, specifically, Reputation of Program Faculty, and the 14 sources of data must emphasize a balance among the qualities of teaching effectiveness, student advisement, campus governance, and scholarship, publication, and external governance.
