Agenda Item VII. E. 1.

Resolution on the Relationship  
Between the Committee on Research Policies and Procedures  
and the Institutional Review Board

Whereas the Senate Committee on Research Policies and Procedures has reviewed the College's Assurance of Compliance with Human Subject Research Regulations, and recognizes the necessity of the policy and procedures described in the document, and

Whereas the committee perceives a need to insure communication between the Institutional Review Board for the Protection of Human Subjects (I.R.B.) and the Faculty-at-large regarding developments in this area,

Therefore be it resolved:

- (1) that one I.R.B. member should serve as a member of the Senate Committee on Research Policies and Procedures (a Senator or a non-Senator), and
- (2) a copy of the minutes of all I.R.B. meetings should routinely be sent to the chairperson of the same Senate committee.
