Faculty Senate Meeting: 11/26/84  
Agenda Item: VII. A. 1.

PROBATION/DISMISSAL

Any student whose cumulative index falls below 2.0 will be placed on academic probation for the succeeding semester (Probation I).

Students on Probation I shall:

1. Be removed from probation if they regain a cumulative index of 2.0 or better at the conclusion of their probationary semester.
2. Be dismissed from College if they fail to attain a semester index of 2.0 or better.
3. Be given one additional semester of probation (Probation II) if they attain a semester index of 2.0 or better, but fail to regain a cumulative index of 2.0 or better.

Students on Probation II shall:

1. Be removed from probation if they regain a cumulative index of 2.0 by the conclusion of their second semester or probation.
2. Be dismissed from College if they have failed to regain a cumulative average of 2.0 or better by the conclusion of their second semester probation.

NOTIFICATION OF DEFICIENT SCHOLARSHIP

Students who are on academic probation, and all students who are academically dismissed from the College, will be officially notified in writing by a statement on their Grade Report. Failure to receive such notification because of circumstances beyond the control of the College shall not entitle a student to removal from probation or to reinstatement from dismissal.

RESPONSIBILITIES OF PROBATION STUDENTS

The College will recommend by letter to all students on Probation I and II that they immediately take the following steps: a) consult with their advisor to limit/adjust their course load, and b) consult with a Learning Skills counselor to review their probationary status and to identify specific services that will assist them toward achieving good academic standing. Failure to follow these recommendations will be taken into consideration should they seek appeal from dismissal.

APPEAL OF DISMISSAL

Students wishing to appeal academic dismissal will be notified of the procedure along with notification of dismissal.

PROCEDURE FOR APPLYING FOR READMISSION AFTER ACADEMIC DISMISSAL

Students who have been dismissed from the College for academic reasons who wish to continue their education at Brockport at a later date are eligible to apply for readmission for the following fall semester if dismissed at the close of the fall semester, or for the following spring semester if dismissed at the close of the spring semester.

Students seeking readmission must have successfully completed six hours of College level work since their dismissal, or demonstrated an equivalent level of readiness for successful College work since dismissal. All applicants for readmission will be evaluated by the Committee on Admissions.

ACADEMIC STATUS OF STUDENTS READMITTED AFTER ACADEMIC DISMISSAL

Semester hours credit for courses in which passing grades were earned prior to academic dismissal will count toward the 120 semester hours required for the Baccalaureate Degree. However, the cumulative index for readmitted students will be computed only on grades earned at Brockport following readmission.
