Agenda Item VII. A. 1.

STUDENT POLICIES COMMITTEE
TRANSFER CREDIT POLICY REVISION

PROPOSAL

Proposed: Accepting "D" grade transfer credit for students without Associates Degree.

Background: Currently accept "D" grade credit for transfers with Associates Degree.

Currently maintain "D" grade credit for re-admitted students - passed by Faculty Senate 1983/84 session.

Policy change: refer to page 62 of Academic Policies Handbook 1983-85 (red).

Item 1, eliminate last words "and (C) grade earned," place a period after Brockport.

Item 2, new reading: General college credit will be awarded for all courses in which a passing grade has been earned, subject to the conditions stated above provided that the student's entering GPA does not fall below the 2.0 required for admission. However, specific academic programs may demand a minimum grade of "C" for prerequisite and/or required courses in the major.

Item 6, eliminate.

Items 7, 8, 9, and 10 become 6, 7, 8, and 9.

NEW POLICY WILL READ:

NOTES REGARDING TRANSFER CREDIT

1. The credit given transfer students who do not qualify for transfer credit under the Associate of Arts, the Associate of Science, or the Associate of Applied Science policies stated above will depend on: (a) regional accreditation of that college; (b) extent to which courses and course credit meet the curriculum requirements at Brockport.

2. General college credit will be awarded for all courses in which a passing grade has been earned, subject to the conditions stated above provided that the student's entering GPA does not fall below the 2.0 required for admission. However, academic programs may demand a minimum grade of "C" for prerequisite and/or required courses in the major.
3. Any student who transfers from an institution on the quarter system shall have the total number of acceptable transfer credits as described by the previous institution multiplied by a factor of two-thirds.
4. Any student who transfers to Brockport from a regionally accredited college on the semester plan may be given the same unit(s) of credit at Brockport that he/she received at the previous institution, or partial credit based on departmental recommendation.
5. Professional education courses (with the exception of Developmental Psychology) taken at a community college may not be used to fulfill requirements for any institutionally endorsed teacher certification program. They may, however, be used as electives in completing the 120 semester hours required for the baccalaureate degree if appropriate.
6. The cumulative grade point average for all undergraduate transfer students is based solely on work taken at Brockport. Grade point averages from institutions previously attended are not employed in meeting any of the requirements of this College.
7. When a student who has previously registered for credit courses through the Office of Continuing Education at Brockport is admitted to matriculated status at the College, all courses, credits, grades and quality points are recorded on the Brockport permanent record.
8. All academic work done on the college level at other accredited institutions must become part of the student's record at Brockport.
9. Transfer students who have questions concerning the evaluation and transfer of credit are urged to contact the Office of Academic Advisement before the completion of their first semester on campus.
