PROPOSED CHANGE: Refer to pages 139 and 140 in "The Brockport Handbook"

Appendix D Student Grade Appeal

Step 2 ¶6 currently reads:

If the panel recommends a change in grade and the instructor does not appeal or, upon appeal, is denied, the student's transcript shall be amended to include a statement that, upon appeal, an Academic Panel recommended a grade of (grade inserted). The original grade, however, shall remain upon the transcript.

Step 2 ¶6 change to read:

If the panel recommends a change in grade and the instructor does not appeal or, upon appeal, is denied, the Vice President of Academic Affairs will instruct the registrar to enter the recommended grade on the student transcript. The original grade shall be removed.

RATIONALE: If a student goes to the trouble of appeal and in the best judgment of a faculty member's peers the student justifies a grade change, then the student should be given the benefit of change.

Review is by the panel of peers; therefore, a change would be made only after insuring the rights of the faculty member have been protected.

Current practice of providing transcript notations and maintaining original grades provides information for negative interpretation by reviewers of the transcript.
