Cumulative Index
Graduate Policy

The present policy regarding a student's cumulative index on a transcript or semester grade report includes all graduate courses taken by the student at SUNY College at Brockport. It is the conviction of the graduate policy committee that the cumulative index of a graduate student only include the courses required for the degree. Therefore, we recommend the following policy be implemented:

Only courses in the student's official program of study will be included in determining a graduate student's official cumulative index. Such cumulative index shall be completed only upon graduation.
