SUBJ: Minor changes to Criminal Justice Major Requirements

At a Department Curriculum Committee meeting on January 29, 1988, the following recommendations for minor changes to the Criminal Justice major requirements were approved.

1. Include CRJ 494 - Criminology as a course option fulfilling the Criminology co-requisite.
2. Require as a pre-requisite to CRJ 471 - Research Methods, any three (or more) hour course that is an introduction to statistics.
3. Eliminate the requirement for the co-requisite filled by PLS 312 - Public Administration, PLS 318 - State and Local Government, or PLS 319 - Urban Politics.

These changes are recommended to become effective with those students entering Brockport in the Fall, 1988. An attached sheet contrasts the existing major requirements with the requirements as they would be with the changes. Since the real overall hours and criminal justice core hours remain the same, the committee views these changes as minor.
