COMMUNITY SERVICE RECOGNITION COMMITTEE

SENATE RESOLUTION

WHEREAS: An attitude of commitment to public or community service ought to characterize educated men and women, particularly those educated at public institutions, and

WHEREAS: The College at Brockport has already nurtured such attitudes and provided such opportunities in many ways -- through courses with a service component, through internships with a service function, through a wide range of voluntary activities undertaken by student clubs and organizations,

THEREFORE, BE IT HEREBY RESOLVED THAT: Under Community Service Committee jurisdiction, solicitations may be made from our college community regarding those deserving of special acclaim. For, in this way, we seek to heighten the consciousness of the entire college community to the value of public service and to provide a concrete opportunity for the expression of that consciousness.

BE IT SO RESOLVED, THAT: The Faculty Senate of the College at Brockport supports this endeavor.
