FACULTY SENATE STATEMENT ON RETRENCHMENT

- WHEREAS the State University of New York College at Brockport has met or exceeded enrollment goals set for it by the Central Administration of the State University of New York, and
- WHEREAS past reductions in the size of the Faculty have already created serious strains in the academic programs of the College,
- BE IT RESOLVED THAT the Faculty Senate strenuously objects to the notion that it is possible to reduce the size of the Faculty again without affecting the quality of our academic programs and the ability of the College to accomplish its mission.
