RESOLUTION

WHEREAS: Regular evaluation of job performance at all levels is an important means of enhancing performance,

WHEREAS: The SUNY Chancellor has established procedures for regular evaluation of campus presidents,

WHEREAS: In his memorandum to the Presidents dated 9/8/89, the Chancellor has stated that he will "accept appropriate written materials submitted through the established governance bodies. Those bodies should develop mechanisms for structured input so that their representative(s) are able to represent and report their views"

BE IT THEREFORE RESOLVED: that the Faculty Senate will undertake a regular evaluation of the campus president to coincide with the time of the Chancellor's presidential evaluation so that the Faculty Senate President or his/her representative can represent the Senate views to the Chancellor during his/her evaluation process.
