Faculty Senate Resolution on Proposed Cuts  
in the Tuition Assistance Program (TAP)

WHEREAS, SUNY Brockport is committed to serving the residents of New York State with high quality, affordable education, and

WHEREAS, the proposed cuts and eligibility changes in the Tuition Assistance Program, commonly known as TAP, would result in a loss of 1.13 million dollars to SUNY Brockport students, and would directly and negatively impact one of every three recipients, with as many as 700 students losing their entire TAP award, and

WHEREAS, these proposed cuts in the Tuition Assistance Program, coupled with a proposed tuition increase of \$250 per semester, will result in a major financial hardship for a significant number of students and their families,

THEREFORE BE IT RESOLVED that the Faculty Senate of the State University of New York, College at Brockport recommends that no cuts be made in the Tuition Assistance Program, and encourages all members of the college community to oppose any reduction in this program.
