Re: Two changes for the English majors and minors

The Faculty Senate Undergraduate Curriculum Committee has met and approved the two proposed changes (listed below) for English.

1. Minimum grade in ENL 303 of C for both majors & minors.
2. Minor in English: ENL 303 plus 5 elective courses numbered 200 or above, at least 2 of which must be numbered 300 or above (this simplifies 2 previous versions).

These changes would become effective in Fall 1998. We consider these to be a minor revisions (it will be announced to Senate, but not require its approval).

Committee members introduced themselves to each other.

The Committee approved, by consensus, the proposed addition of a 4th new track (International Business) within the International Studies major. This new track would require students to select 6 of the following 9 courses: ECN 111, ECN 441, BUS 280, BUS 335, BUS 345, BUS 365, BUS 433, BUS 445, & PLS 410. Students are also recommended to take PLS 300 or equivalent, and one computer science course. We consider this to be a minor revision.

The Committee approved, by consensus, the two proposed (minor) changes for English.

1. Minimum grade in ENL 303 of C for both majors & minors.
2. Minor in English: ENL 303 plus 5 elective courses numbered 200 or above, at least 2 of which must be numbered 300 or above (this simplifies 2 previous versions).  
These changes would become effective in Fall 1998.

The Committee approved, by consensus, the proposed (minor) changes (listed below) for International Business.

1. Delete the Economic Analysis Core (3 cr), ECN 30x.
2. Add BUS 317, Management Information Systems (3 cr.), to the International Business core.
3. Delete BUS 365 (3 cr.) from the International Business core.
4. Add BUS 443, International Marketing (3 cr.), to the International Business core.

6. Replace ECN 451 & 452 (3 cr. each) with one new course, ECN 453, Economic Development & Planning (3 cr.).
7. Move BUS 446 to the International Business core from one of the Cross-Cultural options.
8. Reduce the Cross-Cultural core requirement from 15 credits to 12 credits.
9. Reduce the foreign language requirement from a 300-level course to a 212-level or higher.
10. Add a Foreign Experience Requirement (subject to Department approval), which may be met in one of the following ways:
  - Spend a semester overseas.

- Completion of two 300-level foreign language courses.
- Completion of a local internship with a substantial and demonstrable international component.

Overall the minimum credit hours to complete this revised program is reduced from 63 to 57.

The committee chair will notify undergraduate departments that curricular revisions needing our attention should reach us by the start of Spring Break if the entire Senate is expected to act on proposals before the end of this academic year. A copy of the committee's guidelines for submission of programs and revisions will be included.

**Next meeting** scheduled for **Wednesday, Oct. 29th, 8:30 am**, Rm 187 Seymour Union.
