1. PROPOSAL TITLE:
Please be somewhat descriptive, for example, Graduate Probation/Dismissal Proposal rather than Graduate Proposal.

| Revision to the College Attendance Policy |

2. BRIEF DESCRIPTION OF PROPOSAL:
The current proposal is not explicit in the right of faculty members to set their attendance requirements and grading in the area of both excused and unexcused absences. After seeking external comments, several rewrites and feedback from the Executive Committee, the Student Policies Committee is now recommending a simple reordering of the current policy to uncouple the sentence about the right of the faculty to have more restrictive grading policies from the sentence about the 15% guideline. We also recommend that the sentence about distributing the instructor's attendance policy be more prominent. The next page shows the old and new locations of these sentences. Based on the premise that no wording has been added or deleted from the current policy, we recommend that this be announced as a slight change.

3. ANTICIPATED DATE OF IMPLEMENTATION:
Enter date this will be effective if passed by the Senate.

CURRENT ATTENDANCE POLICY
PASSED BY SENATE, RESOLUTION #3, SIGNED JANUARY 25, 1996 AND EFFECTIVE FALL 1996

The student is responsible for all assigned course work and cannot be absolved of his/her responsibility. When enrolled in a particular course, the student is obligated to do all of the work assigned. Punctual and regular attendance is vital to the discharge of this obligation. Absences, excused or not, do not alter this responsibility; regulations more restrictive than College policy, but not in conflict with it, may be established by the instructor for any course.

Instructors are responsible for distributing their individual course attendance policy in their syllabi during the first class each term.

Absences will be excused for (a) documented illnesses, (b) official representation of the College, (c) death of a close relative, (d) religious holiday, and (e) other circumstances beyond the control of the student. Excuses for official representation of the College must be obtained from the official supervising that activity or event.

Students whose unexcused absences exceed 15 percent of the scheduled classes and laboratories may receive a lowered grade or failure at the instructor’s discretion. Regulations more restrictive than College policy, but not in conflict with it, may be established by the instructor for any course.

Instructors are responsible for distributing their individual course attendance policy in their syllabi during the first class each term.

Student objections to an application of an instructor’s attendance policy must be pursued through the Attendance Policy Appeal Process.
