College Senate Office, 426 Allen Building

1. PROPOSAL TITLE:

Please be somewhat descriptive, for example, *Graduate Probation/Dismissal Proposal* rather than *Graduate Proposal*.

Minor Change in the Eligibility for Administrative Internship, EDA 888

2. BRIEF DESCRIPTION OF PROPOSAL:

This change pertains to eligibility for the Administrative Internship, EDA 888. We propose that in order to qualify for the Internship, that all credits taken at SUNY Brockport in current certification studies (EDA required courses) have received a grade of "B" or better. Students who do not meet this minimal requirement will not qualify for the Internship unless they retake the course and upgrade the letter grade to qualify. As this is a minor change, it is suggested that the matter be addressed in committee.

3. PROPOSED IMPLEMENTATION DATE:

Fall 2005

4. SUBMISSION & REVISION DATES: PLEASE DATE ALL UPDATED DOCUMENTS and resubmit to the Senate Office electronically prior to Senate review and vote at senate@brockport.edu.

First Submission	Updated on	Updated on	Updated on

Re: Minor change in Procedure

Date: April 22, 2005

We request that a minor change in procedure be submitted to the College Senate sub-committee and be authorized for new students matriculated into Educational Administration program for the spring 2006 semester or later.

This change pertains to eligibility for the Administrative Internship, EDA 888. We propose that in order to qualify for the Internship, that all credits taken at SUNY Brockport in current certification studies (EDA required courses) have received a grade of "B" or better. Students who do not meet this minimal requirement will not qualify for the Internship unless they retake the course and upgrade the letter grade to qualify.

It is anticipated that the record keeping for this benchmark procedure will be kept internally by the department so that other SUNY personnel need conduct no extra monitoring of eligibility.

It is anticipated that few students will be affected by this new protocol. However, this requirement will enable the department to improve standards for this essential field course.

Please do not hesitate to contact us should you or the committee have any questions.

Revised from April 5, 2005 Submission
