NOTES:		

GOAL:

In an effort to reach our Annual Goal of advancing the SAS mission to the College and community by increasing visibility and awareness to promote students' personal growth, independence, self-advocacy, and student success, we must use the platform of our Disability Statement to clearly and inclusively invite all eligible students. The new verbiage is inviting and is written in a way that provides direction for students who have a documented disability as well as students who may not know that they are eligible for services through SAS. This statement addresses the students currently registered with SAS and the students who are not registered, but are eligible.

Current Student Accessibility Services Disability Statement:

Students with documented disabilities may be entitled to specific accommodations. The College at Brockport's Student Accessibility Services makes this determination. Please contact SAS at 395-5409 or sasoffice@brockport.edu to inquire about obtaining an official letter to the course instructor detailing any approved accommodations. The student is responsible for providing the course instructor with an official letter. Faculty work as a team with SAS to meet the needs of students with disabilities.

Proposed Student Accessibility Services Disability Statement:

The College at Brockport, State University at New York is committed to fostering an optimal learning environment by applying current principles and practices of equity, diversity, and inclusion. If you are a student with a disability and want to utilize academic accommodations, you must register with Student Accessibility Services (SAS) to obtain an official accommodation letter which must be submitted to faculty for accommodation implementation. If you think you have a disability, you may want to meet with SAS to learn about related resources. You can find out more about Student Accessibility Services at https://www.brockport.edu/life/accessibility_services/, or by contacting SAS via sasoffice@brockport.edu, or 585-395-5409. Students, faculty, staff, and SAS work together to create an inclusive learning environment.
