2012 Digital Commons highlights

Since that time, we have added 1657 objects, and had 109,423 items downloaded by visitors from 143 countries. Digital Commons is an online collection of scholarly and creative works produced by the faculty, staff and students of The College at Brockport. Among our collections are several thesis collections, full text books, faculty publications, and two student journals.

Please contact Kim Myers, if you would like more information, or have scholarship you would like to contribute.
